This morning Sopra Steria has reported Q3 2016 sales in line with our forecast and the consensus average, driven by the French Consulting & Systems Integration business, Italy, Benelux and Sopra Banking Software. FY16 lfl revenue growth guidance is reiterated, management being confident the group will reach the top end of 3-5% lfl revenue growth range. While the poor year-to-date share price performance stemmed from fx headwinds (GBP vs. EUR), we expect the share price to react positively short term.

	1 M	3 M	6 M	31/12/15
Absolute perf.	-11.4%	-10.1%	-9.2%	-14.5%

DJ Stoxx 600	-3.3%	-1.2%	-2.8%	-9.4%

ANALYSIS

- Q3 2016 sales in line with expectations.** Q3 2016 sales rose 3.5% (+4.7% lfl) to EUR875m or 1% above our EUR869.6m estimate and in line with the consensus' average (EUR879.2m). Growth was negatively impacted by 1 billable day less compared to Q3 2015. All the divisions were pretty much in line with our forecasts, except the Other Europe region, which posted more than 20% growth in Italy and Benelux. Compared to the consensus, France, Sopra Banking Software and Other Solutions were in line, the UK was 3% below (an underestimation of fx headwinds in our view), and the Other Europe region was 2% above. Headcount as of 30th September 2016 was 38,397 (o/w 17.9% 'x-shore'), up 197 vs. 30th June 2016. On a year-on-year basis, 'x-shore' headcount was up 6% (+410 vs. Q2 2016), while onshore headcount was up 6% (-213 vs. Q2 2016).
- Q3 2016 details.** 1). France was up 5.4% lfl to EUR356.9m (BG est.: EUR358m, consensus: EUR358.4m), with Consulting & Systems Integration up 6.6% lfl to EUR309.5m with +7% on strategic customers, +12% in Consulting, and solid growth in Defence, Aerospace and Transport, and Infrastructure & Security Services (I2S) down 1.5% to EUR47.5m with Cybersecurity (10% of I2S) up 13.2% lfl and Infrastructure Management down 2.1% lfl; 2). The UK was up 1.1% lfl to EUR217.4m (BG est.: EUR214.6m, consensus: EUR223.2m) with Government (67% of the UK) up 0.5% lfl and commercial sectors up 2.4% lfl; 3). Other Europe was up 6.4% lfl to EUR172m (BG est.: EUR165.7m, consensus: EUR169m) with Germany up 2.2% lfl and Italy and Benelux up above 20%; 4). Sopra Banking Software was up 8.9% lfl to EUR80.7m (BG est.: EUR81.9m, consensus: EUR80.4m) primarily driven by Services in France, Benelux and Middle East & Africa; 5). Other Solutions were up 4.3% lfl to EUR48m (BG est.: EUR49.4m, consensus: EUR48m).
- FY16 guidance reiterated.** With year-to-date lfl revenue growth of 5.2% (as of 30th September), management reiterated its confidence in reaching the top-end of FY16 lfl revenue growth guidance of +3%/+5% (BG est.: +4.6%), with an operating margin above 7.5% (BG est. and consensus: 7.8%), and a strong cash flow increase (BG est.: EUR102m). As for Q3, Q4 will be negatively impacted by 1 billable day less, which makes us comfortable with our forecasts. NB. Sopra Steria made two tiny acquisitions in Q3/Q4 2016: Active 3D (France, technical and energy management solutions for buildings, EUR1m revenues in 2015) and Solid (Norway, SAP integration, EUR1m revenues in 2015).

Bryan Garnier stock rating system

For the purposes of this Report, the Bryan Garnier stock rating system is defined as follows:

Stock rating

BUY	Positive opinion for a stock where we expect a favourable performance in absolute terms over a period of 6 months from the publication of a recommendation. This opinion is based not only on the FV (the potential upside based on valuation), but also takes into account a number of elements that could include a SWOT analysis, momentum, technical aspects or the sector backdrop. Every subsequent published update on the stock will feature an introduction outlining the key reasons behind the opinion.
NEUTRAL	Opinion recommending not to trade in a stock short-term, neither as a BUYER or a SELLER, due to a specific set of factors. This view is intended to be temporary. It may reflect different situations, but in particular those where a fair value shows no significant potential or where an upcoming binary event constitutes a high-risk that is difficult to quantify. Every subsequent published update on the stock will feature an introduction outlining the key reasons behind the opinion.
SELL	Negative opinion for a stock where we expect an unfavourable performance in absolute terms over a period of 6 months from the publication of a recommendation. This opinion is based not only on the FV (the potential downside based on valuation), but also takes into account a number of elements that could include a SWOT analysis, momentum, technical aspects or the sector backdrop. Every subsequent published update on the stock will feature an introduction outlining the key reasons behind the opinion.

Distribution of stock ratings

BUY ratings 56,7%

NEUTRAL ratings 31,2%

SELL ratings 12,1%

Important information

This document is classified under the FCA Handbook as being investment research (independent research). Bryan Garnier & Co Limited has in place the measures and arrangements required for investment research as set out in the FCA's Conduct of Business Sourcebook.

This report is prepared by Bryan Garnier & Co Limited, registered in England Number 03034095 and its MIFID branch registered in France Number 452 605 512. Bryan Garnier & Co Limited is authorised and regulated by the Financial Conduct Authority (Firm Reference Number 178733) and is a member of the London Stock Exchange. Registered address: Beaufort House 15 St. Botolph Street, London EC3A 7BB, United Kingdom

This Report is provided for information purposes only and does not constitute an offer, or a solicitation of an offer, to buy or sell relevant securities, including securities mentioned in this Report and options, warrants or rights to or interests in any such securities. This Report is for general circulation to clients of the Firm and as such is not, and should not be construed as, investment advice or a personal recommendation. No account is taken of the investment objectives, financial situation or particular needs of any person.

The information and opinions contained in this Report have been compiled from and are based upon generally available information which the Firm believes to be reliable but the accuracy of which cannot be guaranteed. All components and estimates given are statements of the Firm, or an associated company's, opinion only and no express representation or warranty is given or should be implied from such statements. All opinions expressed in this Report are subject to change without notice. To the fullest extent permitted by law neither the Firm nor any associated company accept any liability whatsoever for any direct or consequential loss arising from the use of this Report. Information may be available to the Firm and/or associated companies which are not reflected in this Report. The Firm or an associated company may have a consulting relationship with a company which is the subject of this Report.

This Report may not be reproduced, distributed or published by you for any purpose except with the Firm's prior written permission. The Firm reserves all rights in relation to this Report.

Past performance information contained in this Report is not an indication of future performance. The information in this report has not been audited or verified by an independent party and should not be seen as an indication of returns which might be received by investors. Similarly, where projections, forecasts, targeted or illustrative returns or related statements or expressions of opinion are given ("Forward Looking Information") they should not be regarded as a guarantee, prediction or definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. A number of factors, in addition to the risk factors stated in this Report, could cause actual results to differ materially from those in any Forward Looking Information.

Disclosures specific to clients in the United Kingdom

This Report has not been approved by Bryan Garnier & Co Limited for the purposes of section 21 of the Financial Services and Markets Act 2000 because it is being distributed in the United Kingdom only to persons who have been classified by Bryan Garnier & Co Limited as professional clients or eligible counterparties. Any recipient who is not such a person should return the Report to Bryan Garnier & Co Limited immediately and should not rely on it for any purposes whatsoever.

Notice to US investors

This research report (the "Report") was prepared by Bryan Garnier & Co Limited for information purposes only. The Report is intended for distribution in the United States to "Major US Institutional Investors" as defined in SEC Rule 15a-6 and may not be furnished to any other person in the United States. Each Major US Institutional Investor which receives a copy of this Report by its acceptance hereof represents and agrees that it shall not distribute or provide this Report to any other person. Any US person that desires to effect transactions in any security discussed in this Report should call or write to our US affiliated broker, Bryan Garnier Securities, LLC, 750 Lexington Avenue, New York NY 10022. Telephone: 1-212-337-7000.

This Report is based on information obtained from sources that Bryan Garnier & Co Limited believes to be reliable and, to the best of its knowledge, contains no misleading, untrue or false statements but which it has not independently verified. Neither Bryan Garnier & Co Limited and/or Bryan Garnier Securities LLC make no guarantee, representation or warranty as to its accuracy or completeness. Expressions of opinion herein are subject to change without notice. This Report is not an offer to buy or sell any security.

Bryan Garnier Securities, LLC and/or its affiliate, Bryan Garnier & Co Limited may own more than 1% of the securities of the company(ies) which is (are) the subject matter of this Report, may act as a market maker in the securities of the company(ies) discussed herein, may manage or co-manage a public offering of securities for the subject company(ies), may sell such securities to or buy them from customers on a principal basis and may also perform or seek to perform investment banking services for the company(ies).

Bryan Garnier Securities, LLC and/or Bryan Garnier & Co Limited are unaware of any actual, material conflict of interest of the research analyst who prepared this Report and are also not aware that the research analyst knew or had reason to know of any actual, material conflict of interest at the time this Report is distributed or made available.
